About The Martinsburg Union Rescue Mission

The Mission has been in operation since 1956. Our main purpose and the reason the Rescue Mission exists is to fulfill the great commission as outlined by Jesus Christ in Matthew 28:19,20: "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you and lo, I am with you always, even to the end of the age, Amen.

Programs at MURM

Men's Guest Program at 608 West King Street: The purpose of the Mission's Guest Program is to provide short-term shelter, food, clothing, and orientation to the Mission's In-House Rehabilitation Program. In this process an individual may stay up to 7 straight days. During this time, they must show signs that they are working towards taking steps to move forward in their life circumstances by attending daily chapel, Discipleship class, participate in daily work assignments around the Mission, attend required classes during their 7 days stay. During these 7 days staff will assess the person's needs. If that person's needs can be met by the Mission, they will be offered the In-House Rehabilitation Program. If not, we will refer them to an alternative community program or organization that fits their needs. Guest length of stay is generally limited to seven

days per calendar month and a total of twenty-eight days per calendar year. At any time, the Mission staff can extend the time of stay due to extenuating circumstances.

Residential Rehabilitation Program

Hope House: Is in Berkeley Springs and is a ministry dedicated to ministering to homeless Women. Those that enter this ministry program will be blessed to receive all the support that the Hope House and the many ministries that the Martinsburg Union Rescue Mission has to offer those in need.

608 West King St.: is a ministry dedicated to ministering to homeless Men. Those that enter this ministry program will be blessed to receive all the support that the Hope House and the many ministries that the Martinsburg Union Rescue Mission has to offer those in need.

Spiritual Recovery Program: All persons that enter any In-House programs at the Mission are required to participate in the Mission's Spiritual Recovery Program. A strict, no tolerance of drugs and alcohol atmosphere is maintained. Every person that enters this program is required to attend our Discipleship Track classes. We also have a Genesis Program for those who graduate from the Discipleship Track program and want to advance to the next level of their process. Self-dignity is fostered through developing positive work ethics. Social skills are developed through peer and community interaction. Development of social acceptance is encouraged through community service interaction. Participation in church, social and civic groups is strongly encouraged.

Support Program: It is the primary program that every new person enters, and it is a Christian-based recovery program that restores structure and order through work assignments. These assignments include warehouse helpers, kitchen preparing and serving meals, housekeeping, wood and furnace crew, thrift store, facilities, and grounds maintenance, and as needed.

Mission's Employment Program: It is a halfway program that allows a person to reside at the Mission while employed in the community. Employment may be full-time or a combination of part-time employment in the community and part-time volunteer work in the community or at the Mission. Once a person enters the Employment Program, they are encouraged to find housing within one hundred eighty days. After ninety days of a review of the person's financial stability conducted by a staff member, this requirement may be waived until the person is physically, mentally, and financially capable of living outside of the Mission's structured environment.

Staff Program: It is designed to allow a person to continue in the Mission's Spiritual Recovery Program while providing avenues for increased responsibility and authority. A participant in this program assumes a residential staff position in administration, food services, housekeeping, transportation, store operations or facilities and ground maintenance.

Additional Programs:

Haven House: which is located at 604 W. King St. We will be able to minister to families that are experiencing homelessness in our region. The Haven House will provide 6 units for 6 families, and they will be able to receive other services like 3 meals a day from dining hall at 608 W. King Street, chapel, spiritual counseling, fellowship, mentoring, work therapy, clothes, and many other services from our current 608 W. King Street and our Thrift Store at 606 W. King Street facilities.

Emergency procedures

This document should not be considered a substitute for informed decisions and common sense when an emergency occurs.

Emergencies take many forms and may require several different actions. No one can foresee the type or extent of the emergency, and how it affects people and structures, so it is impossible to provide definitive, all encompassing, advice. The following are general instructions that are designed to guide volunteers regarding safety and emergency procedures for just a few types of actual and potential emergencies.

First aid and disaster supplies are available in several locations throughout the Hope House, Haven House, and Main Mission and are marked by signs on the wall. These supplies are provided to help meet the immediate needs of individuals affected by a disastrous occurrence. Any Mission's facilities are not necessarily a safe refuge during emergencies and disasters. Assistance and supplies are provided only to smooth the transition to officially designated assistance centers.

Earthquake

During an earthquake:

- The priority is to stay calm.
- If you are inside the building, sit against a wall or crouch under a desk or table. Stay away from windows or glass dividers. If you are outside, stand away from buildings, trees, and telephone or electrical lines. After an earthquake, check for injuries and administer first aid if needed. Evacuate the premises using the nearest safe exit as quickly as possible, using extreme caution as buildings or parts of the building may collapse without warning. Emergency exits are located throughout the building on all floors and are marked with lit signs along the walls.
- Emergency food rations are part of the Hope House, Haven House, and Main Mission's Disaster Supplies, which are marked on walls throughout the building. Food on the premises is also available to all in an emergency (e.g., lunches and desk supplies). Check food and water supplies before using them, as those requiring refrigeration may be spoiled when power has been interrupted.
- For the Main Mission and Haven House, once you leave the building, meet at the circular drive area of the Mount Zion Church parking lot directly across 19th from our Center entrance to check in with staff.

Fire

In the event of a fire alarm:

- 608 Building and Haven House please evacuate the building using the nearest safe exit, which is marked by lit signs throughout the hallways. There are emergency exits throughout the first and second floors of the facility.
- Meet in the Mission's parking lot or across Elijah Street or King Street.
- Do not stop on the sidewalk or on the street to get your car—leave the premises immediately and meet in the Mission's parking lot or across King St.
- Hope House please evacuate the building using the nearest safe exit, which is marked by lit signs throughout the hallways. Please meet up in parking lot.

First Aid

In the event of a medical emergency:

- Call 9-1-1 if necessary and seek out a staff member who is trained in administering first aid if you are not.
- Keep calm and reassure the individual that help is on the way.

Volunteer/Social Media Engagement Manager

Volunteer Program's Mission & Place in MURM

Philosophy & Purpose

Martinsburg Union Rescue Mission pairs the skilled and willing hands of diverse volunteers with trained staff to provide meaningful programs serving individuals that are homeless and hurting with the Hope and Love of Jesus Christ. The Mission's Volunteer Program encourages teamwork between staff and volunteers, allowing individuals to access and receive Excellence services. The broad skill set you bring supports MURM's vision that all individuals experience the Hope and Love of Christ.

Overview of positions/opportunities

Volunteers are an integral part of the Mission. We depend upon our volunteers as we do our staff to ensure the highest quality of service and programs for our guests, residents, and community. For a list of current volunteer positions, please visit our [Volunteer Opportunities](#) online at www.MartinsburgUnionRescueMission.com.

You gain professional experience working with us, volunteer events, and professional letters of recommendation from volunteer supervisors for exceptional work. You are important and critical to the success of MURM and are appreciated; if there is anything we may do to make your tenure more productive and mutually beneficial please let us know.

Logging Volunteer Hours

Tracking volunteerism is important for us in reporting to funders and managing our resources and can be helpful for you at school or work. Please help us keep an accurate account of volunteer hours by recording your own hours online.

Volunteer Policies

Volunteers' Code of Conduct

Basic conduct requirements include:

- We ask that you always act in a professional manner toward guests, residents, and staff.
- Treat all guests, residents, other volunteers, and staff information as strictly confidential.
- Know that MURM information is proprietary and owned by MURM.
- Please avoid conflicts of interest and do not moonlight or provide private consultation services for MURM guests, residents, staff during your tenure at MURM. (Please see Conflict of Interest page that you signed for further info).
- Please do not engage in dating guests or residents.
- Please do not transport any guest or program resident in your personal vehicle or MURM vehicle of the opposite sex at any time. Please see staff for assistance in this matter. Philippians 2:15

Cell phone usage

Incoming cellular/digital telephone calls are disruptive to an efficient work environment. When volunteers are working with or near guests or residents, MURM asks that volunteers request that discretion be used and that such calls be limited as much as possible.

If volunteers must use or answer a cellular/digital telephone while driving a motorized vehicle while volunteering, MURM supports a safety-first policy. MURM requires that you stop and/or pull over before using or talking on the telephone unless working with hands free equipment. Reading, typing, or sending a text message while driving, is strictly prohibited by law. This request is supported by law enforcement agencies due to increases in accidents attributable to distraction while using a cellular/digital telephone.

No Smoking policy

There is No Smoking in any MURM vehicles or facilities. Designated Smoking is located outside the back of the 608 King Street building located in the residential area only. Hope House please see staff for designated area to smoke.

Hours of operation and schedule

Most volunteer activities occur during regular business hours: Monday through Friday, 8:30am – 5:00pm at our main campus, 606, 608 West King Street Martinsburg, **Haven House, and Hope House please see pages 13 and 14 for attached sheet for hours to volunteer.** Special event volunteers may have weekend or evening hours.

Scheduling & commitment

Regular attendance at volunteer shifts, as you and your volunteer supervisor agree upon, is required. Every volunteer is expected to report on his/her shift on time and stay for the duration of the time scheduled. We count on you as we do our paid staff. Unsatisfactory attendance, including reporting late to your volunteer assignment, quitting early, or an excessive number of absences, could put your volunteer status inactive. We ask that volunteers give us at least 24 hours' notice if you cannot come in for your volunteer shift. We understand that emergencies arise, but we depend upon our volunteers for certain projects and times and knowing about absences ahead of time allows substitutes when possible. In an emergency, please notify Sharon Wolford before your shift to avoid the Mission if you have resigned from the volunteer program. When you speak to Sharon, state your reason for being late or for not being able to report to your shift, and a telephone number where you can be reached.

MURM recognizes the following holidays and is therefore closed:

- New Year's Day
- Apple Harvest Parade Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Inclement Weather

Emergencies such as severe weather, earthquakes, fires, or power failures can disrupt operations. In extreme cases, these circumstances may require closing. When operations are officially closed due to emergency conditions, we will notify our volunteers. If the weather is severe and you feel it is in your best interest not to come in due to safety, please notify Sharon of your absence.

Background checks

All volunteers must complete a [volunteer application](#) and a MURM Background Authorization form

(Which will be provided to you upon application to the Volunteer Program), a Volunteer cannot start in their volunteer position until the background completion is approved by Sharon.

Violation of this policy is grounds for immediate dismissal from the volunteer program.

Confidentiality & external communication

All volunteers must complete a [Volunteer Application](#), which includes a residents, guests, staff, and other volunteers confidentiality agreement. Names, rosters, case records, of the above files and personnel materials are confidential. No reference to the above individuals or to this confidential information, except in pursuit of care in Mission programs, shall be made to anyone without written consent of the above-mentioned, or their parent or legal guardian. This policy applies to both paid employees and volunteers.

Guidelines for Online Posting

Martinsburg Union Rescue Mission (MURM) recognizes that some of our volunteers may choose to express themselves by posting personal information on the Internet through personal websites, blogs, social networking sites, forums, news groups or chat rooms, by uploading content, or by making comments at other websites or blogs (**i.e., Facebook, LinkedIn, and Twitter**). We value our volunteers' creativity and honor your interest in engaging in these forms of personal expression on **your** own time, should you choose to do so.

You are legally responsible for content posted to the Internet, in a blog or otherwise, and can be held personally liable for defaming others, revealing trade secrets or proprietary information, and copyright infringement, among other things.

Company policies apply to anything written in a personal blog, posted to the Internet, or uploaded to the Internet. You may not use personal postings to harass or threaten other volunteers or staff or reveal MURM trade secrets or confidential information.

Embarrassing or unkind comments about other MURM volunteers, staff, residents, guests, or competitors are also inappropriate.

If, in the process of making a personal post or upload on the Internet, you identify yourself as affiliated with MURM, whether by explicit statement or by implication, you must clearly state the views expressed in the post, or at the blog or website, are yours alone, and do not reflect the views of the MURM.

CONFLICT OF INTEREST POLICY

Section One: Purpose

Martinsburg Union Rescue Mission (MURM) is a nonprofit, tax-exempt organization. Maintenance of its tax-exempt status is important both for its continued financial stability and for public support. Therefore, the IRS as well as state regulatory and tax officials view the operations of MURM as a public trust, which is subject to scrutiny by and accountable to such governmental authorities as well as to members of the public.

Consequently, there exists between MURM and its board, officers, and management employees and the public a fiduciary duty, which carries with it a broad and unbending duty of loyalty and fidelity. The board, officers, and management employees have the responsibility of administering the affairs of MURM honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of MURM and in a God honoring way. Those people shall exercise the utmost good faith in all transactions involved in their duties, and they shall not use their positions with MURM, or knowledge gained there from for their personal benefit. The interests of the organization must be the priority in all decisions and actions.

Section Two: Persons Concerned

This statement is directed not only to directors and officers, but to all employees and volunteers who can influence the actions of MURM. For example, this would include all who make purchasing decisions, all persons who might be described as "management personnel," and anyone who has proprietary information concerning MURM.

Section Three: Areas in Which Conflict May Arise

Conflicts of interest may arise in the relations of directors, officers, volunteers, and management employees with any of the following third parties:

1. Persons and firms supplying goods and services to MURM.
2. Persons and firms from whom MURM leases property and equipment.
3. Persons and firms with whom MURM is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting MURM.
6. Agencies, organizations and associations which affect the operations of MURM.
7. Family members, friends, and other employees.

Section Four: Nature of Conflicting Interest

A conflicting interest may be defined as an interest, direct or indirect, with any persons or firms mentioned in section three. Such an interest might arise through:

1. Owning stock or holding debt or other proprietary interests in any third party dealing with MURM.
2. Holding office, serving on the board, participating in management, or being otherwise employed (or formerly employed) with any third party dealing with MURM.
3. Receiving remuneration for services with respect to individual transactions involving MURM.
4. Using MURM's time, personnel, equipment, supplies, or good will for other than MURM-approved activities, programs, and purposes.
5. Receiving personal gifts or loans from third parties dealing with or competing with MURM. Receipt of any gift is disapproved except gifts of a value less than \$50, which could not be refused without discourtesy. No personal gift of money should ever be accepted.

Section Five: Interpretation of This Statement of Policy

The areas of conflicting interest listed in section three, and the relations in those areas which may give rise to conflict, as listed in section four, are not exhaustive. Conflicts might arise in other areas or through other relations. It is assumed that the directors, officers, and management employees will recognize such areas and relation by analogy. The fact that one of the interests described in Section 4 exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be of practical importance, or if material, that upon full disclosure of all relevant facts and circumstances it is necessarily averse to the interests of MURM. However, it is the policy of the board that the existence of any of the interests described in Section 4 shall be disclosed before any transaction is consummated. It shall be the continuing responsibility of the board, officers, volunteers, and management employees to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures.

Section Six: Disclosure Policy and Procedure

Transactions with parties with whom a conflicting interest exists may be undertaken only if all the following are observed:

1. The conflicting interest is fully disclosed.
2. The person with a conflict of interest is excluded from the discussion and approval of such transaction.
3. A competitive bid or comparable valuation exists; and
4. The board or a duly constituted committee thereof has determined that the transaction is in the best interest of the organization.

Disclosure of the organization should be made to the Executive Director (or if she or he is the one with the conflict, then to the board chair), who shall bring the matter to the attention of the board or a duly constituted committee thereof. Disclosure involving directors should be made to the board chair, (or if she or he is the one with the conflict, then to the board vice-chair who shall bring these matters to the board or a duly constituted committee thereof. The board or a duly constituted committee thereof shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to MURM. The decision of the board or a duly constituted committee thereof on these matters will rest in their sole discretion, and their concern must be the welfare of MURM and the advancement of its purpose.
