I, _____ / _____ **and family RECOGNIZE** MY NEED for assistance hereby apply for admission to the Haven House which is a Ministry program of the Martinsburg Union Rescue Mission, Inc.

Martinsburg Union Rescue Mission

The main purpose and the reason that the Haven House and all ministry programs of the Martinsburg Union Rescue Mission exists is to fulfill the great commission as outlined by Jesus Christ in Matthew 28:19 and 20: Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you and lo, I am with you always, even to the end of the age, Amen. The general purpose of all the ministry programs is to prepare individuals to return to the mainstream of our society and become responsible productive members of that society.

The Haven House, which is a ministry program that operates under the Martinsburg Union Rescue Mission, Inc.

The Haven House exists to provide Transitional Housing for Homeless Families. The Haven House is a short-term Transitional Housing up to 18 months or less. Extensions may be granted on a case-by-case basis for families waiting for housing or transferring to an alternative community program. Upon arrival at the Haven House, a family intake is given that consists of information gathering of the guests and signature agreement acknowledging requirements in staying at the House. During the families stay at the Haven House, they must show signs that they are working towards taking steps to move forward in their life circumstances by attending daily chapel services, participate in daily work assignments around the Mission, or find employment outside the Mission, attend required classes during their stay, etc.

If the family accepts entrance into the Haven House program, they will start with the **Mission's Spiritual Recovery Program. A strict, no tolerance of drugs and alcohol atmosphere is maintained. Upon entering Program status each family is required to attend the 60-day Discipleship Track entry level classes according to their daily schedule. The Discipleship Track entry level classes consist of Biblical studies, addiction recovery classes, chapels, the Mission Support Program, etc. These first couple of months will provide a good start in developing the 6 Values of Christ-centered, Servant-leadership, Transformation, Stewardship, Excellence and Honor in everyone for successful living. Once completion of the DTEC the family continues in the program and can go on to employment outside the Mission if ready.**

If the family is not offered or refuses the Haven House program, they will be referred to an alternative community program or organization if the family's needs require. These include but are not limited to Shenandoah Community Health Care (physical health care), East Ridge Health System (mental health care), WVU Universities East (physical and mental health care), Veteran's Affairs, Telamon Corporation (housing assistance), WV Coalition to End Homelessness, Department of Health and Human Resources, Congregational Cooperative Action Program, Catholic Charities, Salvation Army, or other organizations in the general geographical area.

Ministry Program

Mission's Spiritual Recovery Program. A strict, no tolerance of drugs and alcohol atmosphere is maintained. Upon entering Program status and SRP each person is required to attend the 60-day Discipleship Track entry level classes. The Discipleship Track entry level classes consist of Biblical studies, addiction recovery classes, chapels, the Mission Support Program, etc. These first couple of months will provide a good start in developing the 6 Values of Christ-centered, Servant-leadership, Transformation, Stewardship, Excellence and Honor in everyone for successful living. Once completion of the DTEC the person continues in the program and can go on to employment outside the Mission if ready.

The Mission's **Support Program** is the primary program that new families enter. It is a Christian-based recovery program that restores structure and order through work assignments. These assignments include warehouse helpers that assist in our recycling program, cook helpers that assist in preparing and serving meals, housekeepers that clean and perform light maintenance, driver's assistants that help with donation pick-ups and store deliveries, thrift store helper and facilities and grounds maintenance.

The Mission's **Employment Program** is a halfway program that allows a person that is in the program at the Mission to obtain employment in the community. Employment may be full-time or a combination of part-time employment in the community and part-time volunteer work in the community or at the Mission. Once a person enters the Employment Program, he is encouraged to find housing within one hundred eighty days. After ninety days a review of the family's financial stability will be conducted by a staff member, this requirement may be waived until a family is physically, mentally, and financially capable of living outside of the Mission's structured environment.

The Mission's **Staff Program** is designed to allow individuals to continue in the Mission's Spiritual Recovery Program while providing avenues for increased responsibility and authority. A participant in this program assumes a ministry staff position in administration, food services, housekeeping, transportation, store operations or facilities and grounds maintenance.

Except for the Employment Program, there is no length of stay limitations for any of the Mission's ministry programs. However, the general purpose of all the ministry programs is still to prepare individuals and families to return to the mainstream of our society and become responsible productive members of that society.
